Limited Warranty: Under the terms and conditions of the warranty we reserve the right to inspect and assess a machine to ensure the claim is a genuine warranty. Exchanges and refunds to end users can only be issued after approval from the warranty assessment team. For full terms and conditions refer to the user manual.

Accessories

BONUS Spray Tip

An additional spray tip for expanded application types

Servicing Tools

Metal scrubbing brushing and o-ring for general maintenance

Pro-Style Spray Gun

Stainless steel construction for durable and reliable performance finish. Provides electrical bonding with RotaCota hose to dissipate static electricity from the spray tip

Premium Spray Gun Hose

Polyurethane construction with thermoplastic inner tube and chemically bond layers for greater flexibility, high abrasion resistance and resistance against most paint chemicals, oils and solvents
